Thank you for your interest in the Tennessee Association of Plumbing - Heating - Cooling Contractors, Inc. We are pleased to invite you to become an Industry Council member of our Association. The objective and purpose of the Industry Council is to bring a closer working relationship between TAPHCC members and those in the industry with whom they do business and share a common interest. You have permission to market and offer your services to the association by introducing yourself as a TAPHCC Industry Council member. We encourage our members to “do business” with one another for the common promotion of the Association.

Each of our local associations has a monthly meeting and those dates and locations can be found on the back of our newsletter, which you will receive as a member. We encourage your attendance.
